MEMORANDUM FOR THE PRESIDENT

FROM: Henry A. Kissinger

SUBJECT: November 3 Speech

(Signed) HK

The following is a paragraph describing comments by Hanoi radio on U.S. domestic dissent.

"Since the beginning of this year alone, broadcasts from Hanoi to the Vietnamese people have called attention to U.S. domestic opposition to the war on more than 610 occasions. Countless Hanoi commentaries have welcomed U.S. dissent and claimed that the U.S. and North Vietnamese peoples are waging coordinated struggles."

It could be coupled with references to comments by Hanoi's Paris Delegation which I sent to you yesterday (copy at Tab A).

At Tab B is an analysis by the Foreign Broadcast Information Service of Hanoi's references to U.S. anti-war sentiment.
